### 3. Supervising the Board of Management by the Board of Directors:

Overall, the Board of Directors (BOD) has effectively performed its supervisory role over the management and operations of the Company's Executive Board as well as the Hospital Executive Management of its affiliated hospitals.

In addition to discussions and exchanges during BOD or Management meetings, the Chairperson and other members of the BOD have regularly communicated via phone or held private discussions with individual members of the Executive Board to implement resolutions of the General Meeting of Shareholders and the Company's BOD, as well as to stay informed about business performance and the progress toward achieving the Company's objectives.

The BOD's supervisory activities are carried out with the aim of ensuring that the Company operates in a stable and efficient manner, in full compliance with applicable laws, the Company's Charter, and its internal corporate governance regulations.
